Department of Toxic Substances Control (DTSC) Project Status Update for Former Wyle Laboratories Norco Facility Site November 13, 2007

Open House Announcement

DTSC invites you to attend our Open House on Wednesday, November 14, 2007, between 5:00PM to 9:00PM to discuss the environmental cleanup activities being conducted at the former Wyle Laboratories Norco Facility site. You will have an opportunity to talk with DTSC staff directly about your concerns or questions you may have. There will be no formal presentation given; rather DTSC staff will be available to meet freely and interface with you one-on-one to discuss your concerns. The Open House is being held to assist the community with understanding the activities at the former Wyle Laboratories Norco Facility site. Please join us at:
